The time arranged for the coach on the timetable is the time we expect the coach to arrive at the stop. Please ensure that your child is at the stop 5 minutes before this time. Traffic has a big influence on the timetable and the coach can't sit and wait at lots of the stops.

The coach will drop off / pick up from within the school grounds. The coach departs The Misbourne at 15.20. It is your child's responsibility to ensure they are at the coach collection point before the stated departure time.

Due to demand for the services we may have to change some stops on to various routes and not as the stated routes currently running. We will inform the relevant Parents / Guardians of any amendments made
